

COVID-19 Fiscal Relief for Special Districts Application

The 2021 Budget Act appropriated \$100 million one-time General Fund to provide fiscal relief to **independent special districts** for revenue losses or unanticipated costs incurred due to the COVID-19 public health emergency. Funds are reserved for districts that have not received other forms of COVID-19 fiscal relief directly from the state or federal government. **Districts are still eligible to apply if they have received or intend to receive FEMA reimbursements.** Each qualifying district that applies will receive an allocation based on its proportionate share of the total unanticipated costs and revenue losses incurred by all districts during the following eligible periods:

- **Revenue Losses**—Revenue losses, from all fund sources, incurred due to the COVID-19 public health emergency during the 2020-21 fiscal year, compared to the revenue from all fund sources in the 2018-19 fiscal year (which serves as the base period to which the revenues will be compared).
- **Unanticipated Costs**—Unanticipated costs incurred due to the COVID-19 public health emergency during the period starting March 4, 2020 and ending June 15, 2021. This aligns with similar federal fiscal reporting timeframes.
