

City of Carlsbad, California

## **Parks Planning Manager**

**Annual salary range: \$88,345 to \$121,432**

The city provides an excellent benefits package.

**First resume review: Wednesday, November 30, 2022.**

Join the **City of Carlsbad** as their next **Parks Planning Manager** and live where people vacation! With perfect weather, 7 miles of beaches, and over 60 miles of trails, this year-round staycation can be your daily living.

Under the direction of the Parks Services Manager, the **Parks Planning Manager** will utilize their project management experience as a landscape architect, urban planner, landscape planner, or a related field to develop and design the open spaces and parks of the City of Carlsbad. The ideal candidate will have experience in staff supervision and capital improvement planning. Experience with construction contract management and long-range planning will be an asset in this role.
